A new range, a new concept

The new range of adjustable SPTR-V window mounting screws from SFS is the ideal solution for all frame and support materials. Available in 2 versions, the SPTR-V6 and SPTR-V8 fasteners allows you to meet all your needs concerning frame installations, either new or renovation. This new concept has been designed, developed and patented to improve performance and great fixation. Versatility, performance and confort characterize the SPTR-V range.

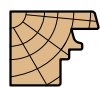

For all types of frames

PVC

Reinforced
uPVC

Wood

Aluminum

For all type of support material

Wood

Concrete

Hollow brick

Frame stability thanks to the guidance zone

Optimized torque transmission thanks to T30 screw head

Nice head shape and aesthetic colors

Tilted installation up to +/- 5° possible

SPTR-V6

For installation in wood

- 60 mm
- 70 mm
- 80 mm
- 100 mm

100 mm

SPTR-V8

For installation in concrete and brickwork

- 95 mm
- 105 mm
- 120 mm
- 150 mm

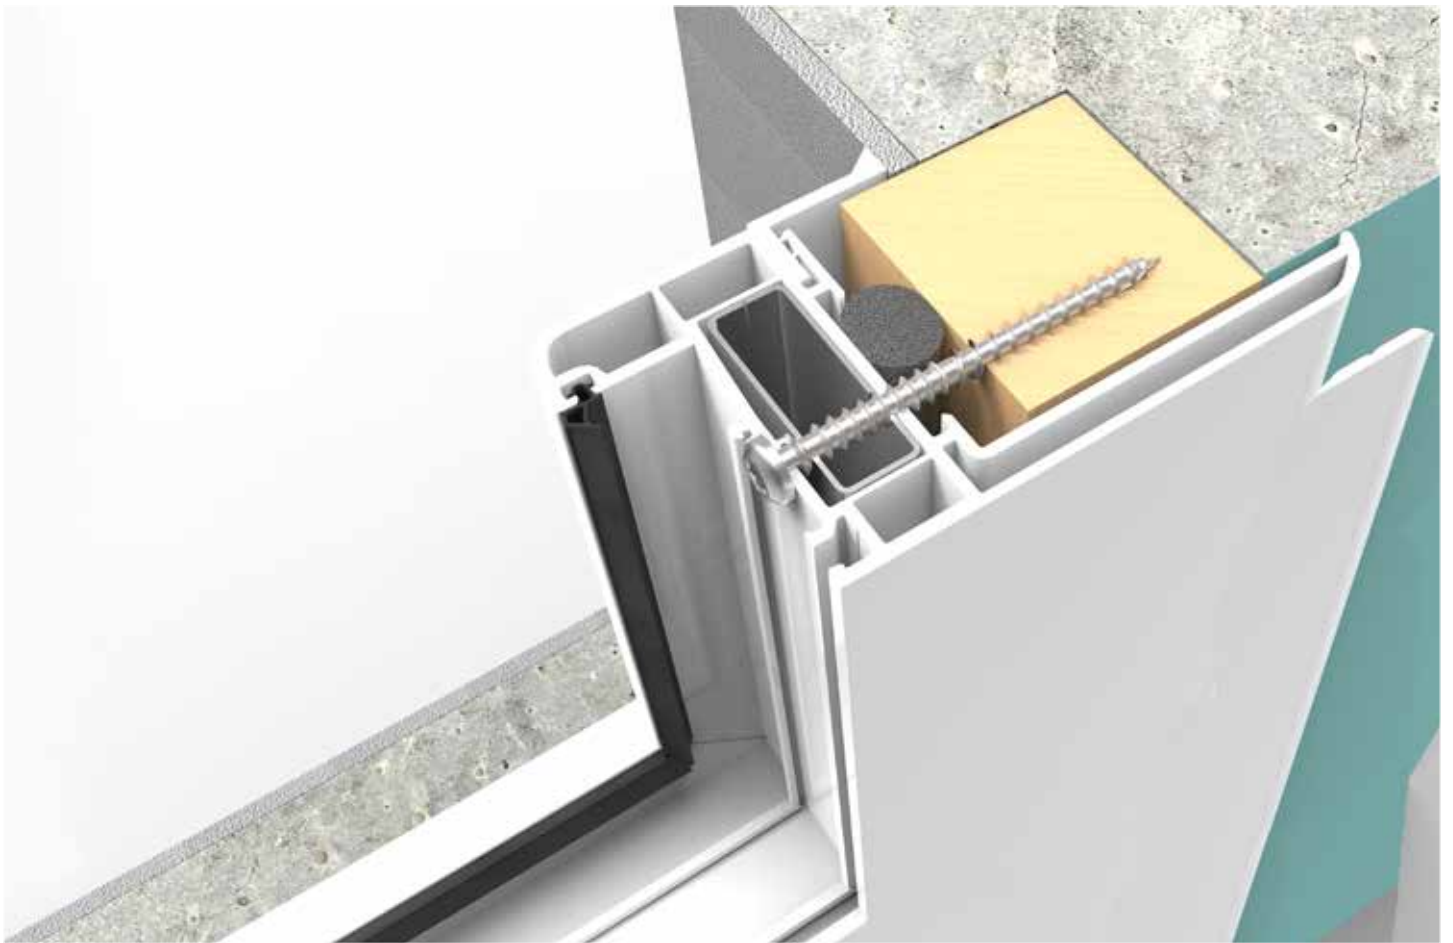

150 mm

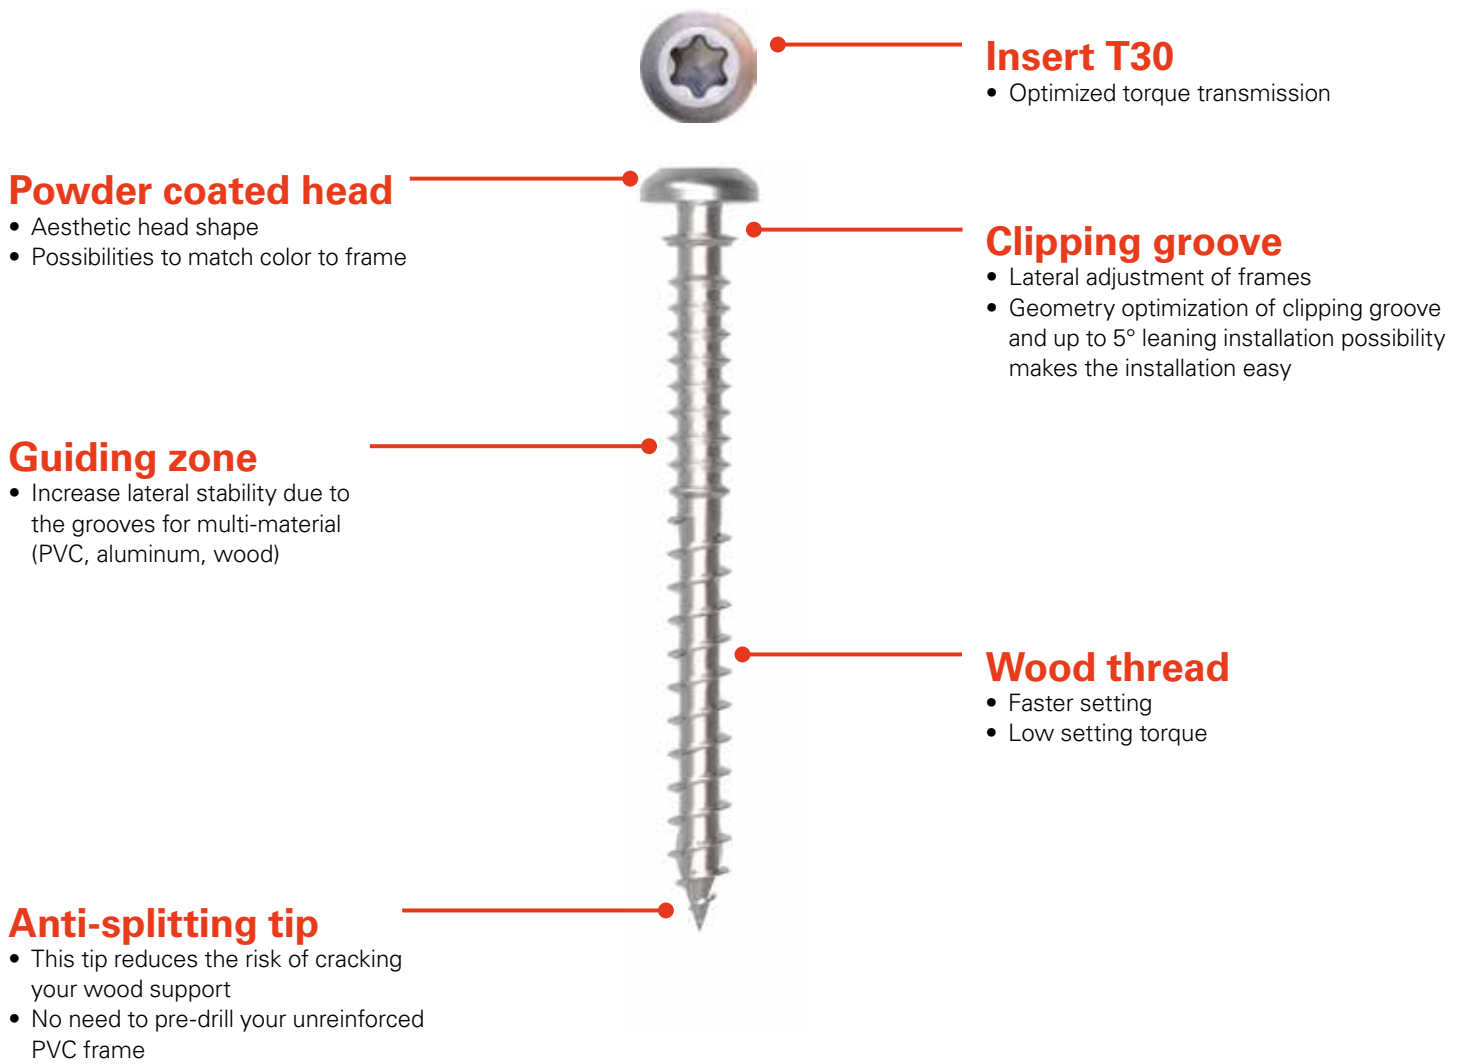

The SPTR-V range is protected by European patent®, in conformity with the general conditions of implementation of joinery. CSTB recommend the product range in France. www.cstb.fr/en

SPTR-V6 : for installation in wood support

The SPTR-V6 is a new fastener that allows an easy installation of high quality. It offers the possibility to adjust and align perfectly the frame during installation. The SPTR-V6 adjustable mounting screw is available in 4 lengths, from 60 to 100 mm to cover all applications. Choose the proper length depending on the thickness of your frame.

Applications

Aluminum frame - Concrete support

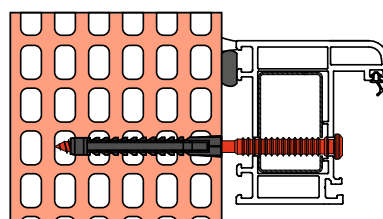

Wooden frame - Brick support

PVC frame - Concrete support

Reinforced PVC frame - Brick support

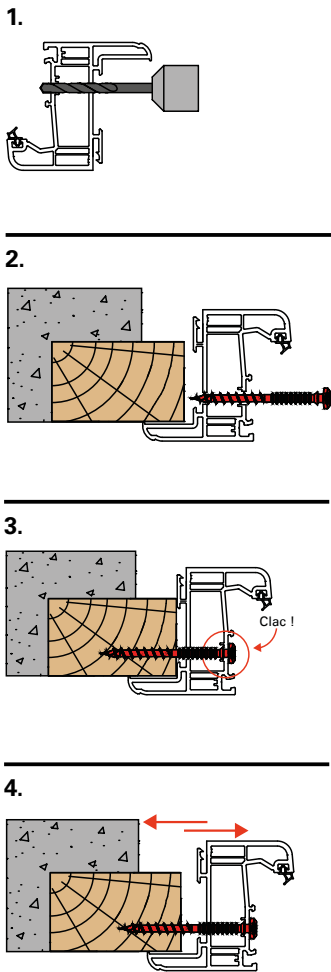

Installation recommendations

		SPTR-V6	SPTR-V8
Type of frame	 PVC	Optional pre-drilling	Ø 8 mm Pre-drilling
	 Reinforced PVC	Ø 6 mm Pre-drilling	Ø 8 mm Pre-drilling
	 Aluminum	Ø 5 mm Pre-drilling	Ø 8 mm Pre-drilling
	 Wood	Ø 4 mm Pre-drilling	Ø 7 mm Pre-drilling
Support	 Wood	No pre-drilling	-
	 Concrete	-	Direct installation : 5,2 / 5.5 mm (soft/hard) Installation with plug : Ø 8 mm
	 Brick	-	Ø 8 mm Pre-drilling
